

The Office of the Student Body President  
Eastern Michigan University Student Government  
Executive Order

Executive Order: 106-02  
Effective Date: August 28th, 2019

On April 24<sup>th</sup>, 2017 President Tanasia Morton signed Executive Order 103-06, which required that Student Government dedicate a line item in its annual budget to allocations for Club Sports until April 2020. This was done to ensure fairness in the allocation process to Club Sports, done through the Business and Finance committee's allocation process, as well as ensure a fair balance of funding between Club Sports and all other Student Organizations.

While the effect of this action has been positive, EO 103-06 compels the Student Body Senate, including the 106<sup>th</sup>, to take a specific action – creating a line item for Club Sports allocations – which constitutes executive overreach. For this reason, and in an effort to sustainably preserve the precedent that President Morton has set through proper legislative channels, I hereby declare Executive Order 103-06 null and void.

Additionally, I formally recommend the Student Body Senate to separate funds for Student Organization allocations and Club Sports allocations in perpetuity as separate sub-line items which may only be transferred from one to the other by an act of the Student Senate at-large.

Be it so ordered,

Ethan Smith

Student Body President
