B. Where do we go from here?

- Anna, (& committee); let's begin working on a google form in our team drive of orgs & partners we wish to reach out too. If you don't know their contact info just leave the name of the org/department & I will find them for you. Let's also have a checklist so we know who reaches out to who.
- Lily & Kirk: Similar scenario, let's start working on a mini itinerary for your event and what you wish to be covered/discussed as well as possible orgs/departments to collab with. They do not have to be extremely detailed but enough so we at least have a general idea. If you want food/drinks at your event, it's better to put the orders in sooner than later. Please also let me know if you think any special equipment will be needed, such as projectors.
- Balaal: what is your availability like during the week? My office hours are:
Mondays: 3-30-5:30pm(I'm free during those times)
Tuesdays: 5:30-6:30
Wednesdays: 3:30-9:00pm
Thursdays: 9:00am-10:30am
Mention of involving Kings of Color & The Nation (TN)
Let me know if any of these times work for you so we can schedule an appointment to discuss further details of this event and go from there.
- Dominic, I know you are a late addition to our committee but please work with your fellow senators and see what assistance they may need with this week. If you have any ideas to make this week or our committee better please let me know!
