

The Office of the Student Body President
Eastern Michigan University Student Government
Executive Order

Executive Order: 103-02
Effective Date: June 7th, 2016

Senate Resolution 100-006 established the Energy and Sustainability Committee in 2013. This committee was charged with researching and implementing environmentally friendly initiatives on behalf of the student body. Last year, Energy and Sustainability was established as a Commission by Executive Order 102-02.

I hereby establish the Energy and Sustainability Commission for the 2016-2017 academic year. The ending date of this Commission will be 11:59 am on April 26th, 2016.

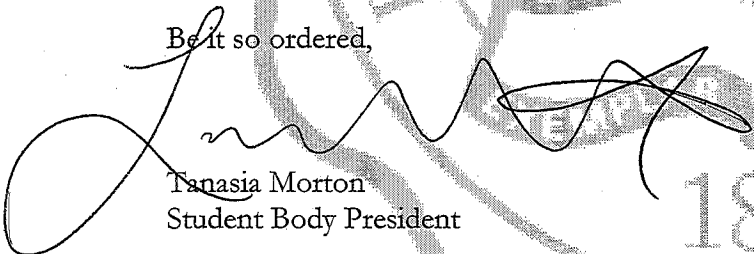

The composition of the Commission shall be:

- Director of Sustainability VanLandingham, serving as Chair
- One Senator appointed by the Senate, serving as Vice-Chair
- Any student in good standing as determined by the Eastern Michigan University Department of Student Affairs

The Commission, with consultation from the Student Body President, Vice-President, and the Director of Sustainability, shall set a public meeting schedule.

The Senate will be regularly updated on the proceedings of the Commission. All meetings will be open to the public and Student Government members are encouraged to attend.

Be it so ordered,

Tanasia Morton
Student Body President
